The Holy Family

Vol. 11, Number 7
The Holy Family

When Jesus, Mary, and Joseph are invited in the home, charity is likely to be maintained in the home through their example and heavenly intercession; a good influence is thus exerted over conduct; the practice of virtue is thus incited; and thus the hardships which are everywhere wont to harass mankind, are both lessened and made easier to bear.

---Leo XIII Neminem fugit, 1892

And He was subject to them.” (Lk 2:51) Who was subject to whom? A God to men, God, I repeat, to Whom the angels are subject: was subject to Mary; and not alone to her, but to Joseph also, because of Mary. Admire and revere both mysteries, and choose which you admire the more: the most sweet condescension of the Son, or the sublime dignity of the Mother... For that God should obey a woman is humility without compare; and that a woman should have rule over God dignity without equal.

---St. Bernard of Clairvaux
