Welcome to historic St. Rose of Lima Catholic Church! Built over a century ago, we all owe a debt of gratitude to the Irish faithful who were the first to call this church their parish. For apart from the countless sacrifices made by that first generation of faithful to build a suitable house of prayer and divine worship for the greater glory of God, this beautiful church would not exist.

Our beautiful stained glass windows, perhaps the most stunning feature of the church, have been newly restored. Rendered in the Munich Pictorial style, they depict scenes from the life of Christ as well as images of various angels and saints.

The careful observer will discern elements from the Gothic, Romanesque, and Byzantine styles which together make up the style known as Venetian Gothic. Bishop Paprocki consecrated the new main and side altars in 2012 and the stained glass. The liturgy celebrated at St. Rose follows the extraordinary form of the Roman Rite, and employs primarily the ancient Latin language. On Sunday, the liturgy is celebrated in both the ordinary and proper forms of the Mass are provided. To follow daily Mass and propers of the Mass are provided. To follow daily Mass in church. Also, St. Rose Church has Internet access available at the rectory or download an app like iMass.

Sexagesima Sunday
**From the Pastor’s Desk:**

**Pope Pius XII recognized for saving many Jews**

**Sexagesima Sunday**

Historical evidence shows that the Catholic Church, under the Pontificate of Pope Pius XII, saved an estimated 847,000 Jews during WWII.

To show the Pope primary source documents evidencing Vatican intervention to save the Jews of Rome during WWII, a special delegation, organized by Pave the Way Foundation (PTWF), a US based nonsectarian organization, greeted Pope Francis on February 20, 2019.

PTWF Director, Dr. Bennett Solberg, presented the Pope with original documents revealing how Pope Pius XII acted directly to end the arrest of the Roman Jewish community on October 16, 1943.

Pope Pius XII lifted the ban of Cloister, to enable monasteries to house women, and converts to house men, and requested shelter for the innocent Jews by Italian Catholics, and other ecclesiastical structures throughout Italy.

The Commandant of Italy, General Karl Wolff was ordered by Adolf Hitler to invade the Vatican, kill any Vatican officials they encountered, and then “rescue” Pope Pius XII by taking him to Lichtenstein, where he would be assassinated.

This plan was revealed to the Pope in September 1943, one month before the arrest of the Roman Jews. Mindful of this imminent planned invasion, Pope Pius XII penned his resignation where he stated that were the Vatican to be invaded, the Nazis would arrest Eugenio Pacelli, not Pope Pius XII. He then ordered the Cardinals to leave Rome, elect a new pope, and form a government in exile in Portugal.

The name of Pope Pius XII was smeared by the Soviet Union’s KGB disinformation subversion, beginning five years after his death in 1963. Gary Krupp, President of PTWF, calls this the greatest character assassination of the 20th century. Historical evidence shows that the Catholic Church, under the Pontificate of Pius XII, saved an estimated 847,000 Jews during WWII.

Mr. Krupp, who is Jewish, stated that “the worst character flaw a Jew can have is ingratitute. It is important for those who are alive today and who have been deceived by Soviet disinformation for five decades now be aware who it was who saved them.”
