ST. ROSE OF LIMA PARISH
Quincy, Illinois

A Personal Parish for the Extraordinary Form of the Roman Rite “Traditional Latin Mass”

Under the Pastoral Care of The Priestly Fraternity of St. Peter
Fr. Arnaud Devillers, FSSP Pastor

March 10, 2019

1st Sunday of Lent

Vol. 11, Number 15
A personal relationship with Jesus Christ is essential, I believe, to a person staying free from the forces of the demonic, from any temptations or leanings that might attempt to try and seduce a person into the darkness.

Now, a personal relationship with Jesus Christ is much more than simply knowing about Christ. It’s knowing Christ. There is a difference between knowing about the Church and knowing about Jesus Christ versus knowing not only who He is, but wanting to have a relationship with Him, a loving relationship, and being able to continue not only who He is, but wanting to have a relationship with Jesus Christ. There is a difference between knowing about the Church or the values of the Church or the guidelines of the Church or knowing what all the rituals are about. All of that and more is a way to express my relationship with Jesus Christ. It is expressed and ritualized in a variety of ways that give me something palpable to hold onto, but the relationship itself is very deep.

It’s very personal, and it’s very within me. It’s inner. It’s not something that I can measure.

Fr. Gary Thomas, Exorcist
