Easter Sunday

Vol. 11, Number 21
From the Pastor's Desk:

Christ is truly risen!

Easter Sunday

From the beginning, the Resurrection of Christ has been celebrated as the greatest and most important festive day of the whole year. In fact, every Sunday is a "little Easter" connected to the memory of the Resurrection of Christ. In the Eastern Churches, Sunday bears the name "Resurrection" even today. The Council of Nicaea (325) prescribed that on Sundays and during Easter time all Christians should pray standing, never bend their knees, to indicate "that we are risen with Christ." A relic of this custom is the practice of saying the Angelus (daily prayer commemorating the Incarnation) standing, instead of kneeling, on Sundays. At Easter time the antiphon of the Blessed Virgin, Reginae ete (Queen of Heaven, rejoice) is said standing every day.

In addition to this weekly celebration of Christ's Resurrection, the Church has observed each year from the earliest centuries a special feast at the time of the Jewish Pasch to commemorate the anniversary of the greatest events in the Christian world. Since there is an intimate bond between the Resurrection of Christ and the sacrament of baptism, the Church united these two "resurrections" in a common ritual. It celebrates the "new life" not only of Christ as the Head, but also of His Mystical Body. His faithful followers. This is why the prayers of the liturgy in paschal week constantly reflect those two thoughts: the Resurrection of our Lord and the baptism of the faithful.

The English word Easter and the German Ostern come from a common origin, which to the Norsemen meant the season of the rising (growing) sun, the season of new birth. The word was used by our ancestors to designate the Feast of the Resurrection, the answer, "Alba christi" (He is truly risen). The Poles and western Slavs greet each other with the wish "A joyful alleluia to you!" (Wszystkiego najlepszego!).
