Supporting Our Bishop
We are blessed to have Bishop Thomas John Paprocki as our shepherd! Let us support him with our prayers and if you feel inclined, send a note to let him know of your support. He has been under attack by the media, and the public as well, because of his statement refusing Holy Communion to those politicians who supported the extreme abortion laws passed in this State. Let us thank God that Our Bishop boldly defends the Faith and the life of innocent children in the womb. The Bishop’s address is:
The Most Reverend Thomas John Paprocki
Bishop of the Diocese of Springfield in Illinois
1615 West Washington
Springfield IL 62702-4757

Happy 34th Anniversary to Fr. Devillers
He was ordained to the Sacred Priesthood on June 29, 1985

From the Pastor’s Desk:
Origin of the Feast of Corpus Christi

It was a humble nun in Belgium, Saint Juliana (1258), Prioress of Mont Cornillon, who first suggested and advocated a special feast in honor of the Blessed Sacrament to be celebrated on a day other than Maundy Thursday. She was to announce to the authorities of the Church that God wished such a feast to be established.

In 1230 Juliana communicated her secret to a small group of learned theologians. As her message became publicly known, she had to suffer scorn and ridicule for some years. But the bishop of her diocese (Liege) and some of his canons eventually lent a willing ear to her appeals. A diocesan synod in 1246 decided in her favor and prescribed such a feast for the churches of Liege.

Was it mere coincidence that one of the men who had supported her efforts in Belgium later became pope? Urban IV (1265). On September 8, 1264, six years after Juliana’s death, the establishment of the Feast of Corpus Christi in the presence of Christ in the Holy Sacrament. The bull of Urban IV had no immediate effect
