4th Sunday after Pentecost

Vol. 11, Number 32
Dear parishioners,

It is my happiness to be here with you at St. Rose of Lima Church. I want to use the bulletin this week to say things which are too long for announcements from the pulpit. Often parishioners want to ask questions about me, and so I will briefly say that I come from a Catholic family in Northeast Ohio, have 11 siblings & studied school 13 years; studied at Christendom College, then at both Fraternity of St. Peter seminaries: St. Peter's in Wigratzbad, Germany, and Our Lady of Guadalupe Seminary in the United States. I was ordained in 1999 and have done fundraising for a short time at Our Lady of Guadalupe Seminary for 5 years. My last assignment was as the assistant pastor at Immaculate Conception in Colorado Springs. I have been in charge of Fraternity apostolates before, both in Little Rock, AR and Edmond, OK.

I will take about a month, perhaps two, to assess St. Rose of Lima Parish in the following areas with the help of all of you but especially of the parish and finance councils:

1) Spiritual Strength of the Parish (Sunday mass attendance, but especially of the parish and finance councils; I will take about a month, perhaps two, to assess St. Rose of Lima Parish and the pews, sacristy items, knowledge of the laity of hymns and altar servers and choir members; quality of liturgical books in personal prayer, knowledge of the faith, etc.)

2) Liturgical Strength of the Parish (training and number of altar servers and choir members; quality of liturgical books in the pews, sacristy items, knowledge of the laity of hymns and prayers, understanding of the Mass and sacraments, etc.)

3) Physical Plant: the condition of the church, parish hall, classrooms, rectory, garage, parking lot, lawn. Already Fr. Devillers has brought several items to my attention in this area. Much has been done, but others things are on the agenda.

4) Parish Finances: Once what we need has been prioritized with cooperation of the parish council, the finance council will assist me in drawing up a plan to make those priorities happen.

Here is an explanation of how a parish should work: when spiritual needs are met and the parish is spiritually strong, it will grow. Spiritual strength shows itself in more volunteering for liturgical things, especially the choir and altar serving, but also other cleaning, repairs, and special events. People who love their faith also love their parish, and that love shows itself in generous service. A growing and generous parish takes care of the physical plant and is able and willing to meet, following an intelligent plan, all financial needs. And just in case you are wondering, the parish has no outstanding debt at this time, even though many improvements were made during Fr. Devillers’ time as pastor. I want to publicly thank him for leaving me such an organized parish and well-maintained church and rectory.

Once I am prepared to present my vision for the parish it will be announced one week in advance, and I will make a relatively quick presentation at both of the coffee and donut times and take questions at time permita.

Fr. Joseph Portzer, FSSP

**JULY IS DEDICATED TO THE MOST PRECIOUS BLOOD OF OUR LORD**

On June 30, 1960, Pope St. John XXIII released an encyclical On Promoting Devotion to the Most Precious Blood of Christ, the Lamb of God who was slain, in It he approves the Litany of the Precious Blood and through special indulgences has encouraged its public and private recitation throughout the whole world.

It is a short easy to read encyclical which can be found at: [http://www.papalencyclicals.net/john23/j23pb.htm](http://www.papalencyclicals.net/john23/j23pb.htm)

We will recite this beautiful litany after Mass every day during the month of July. With a renewed desire that God will bless and we with love and gratitude we will seek for this ultimate sacrifice which was made by Our Lord so that we might be with Him for all eternity.

A partial indulgence can be obtained under the usual conditions.

**Devotion to the Precious Blood is not a spiritual option, it is a spiritual obligation, and that not only for priests, but for every follower of Christ. I really believe, and I hear even saying this, but I really believe that one of the symptoms of modern society (and I would even include, sadly, modern Catholic society) one of the symptoms of a growing, growing secularism is the lessening and the weakening of devotion to the Precious Blood. Devotion, as we know, is a composite of three elements: It is first - external, it is secondly - invocation, and it is thirdly - imitation. In other words, devotion to the Precious Blood of Christ, the Lamb of God who was slain, is first of all to be venial or outward, secondly it is a composite of knowledge, love and devotion. We are to study to come to a deeper understanding of what those two - I am afraid for many people - casual words, Precious Blood, really mean.
