Bishop Paprocki Wants Your Feedback!
The Diocese of Springfield in Illinois will be conducting a campaign planning study throughout October and November, and Bishop Paprocki would like to hear from you. The study will gather feedback on a potential diocesan-wide capital campaign to support the education of our seminarians. A high level of participation is needed to aid the bishop in making an informed decision about whether to move forward with a campaign. The Steer Group, a Catholic development fundraising firm, has been hired to conduct the study. A final recommendation on the viability of the campaign will be made in the early December. The study will provide everyone with an opportunity to share their thoughts through a combination of personal interviews, mailonline surveys, town halls to be held at locations throughout the diocese. There will be regular updates in our bulletin in the weeks to come to provide more details on how you can participate.
