The liturgy celebrated at St. Rose follows the extraordinary form of the Roman Rite, and employs primarily the ancient Latin language. On Sundays, translations of both the ordinary and the propers of the Mass are provided. To follow daily Mass you may use the LatinMass app, or download an app like iMass. Internet access is available in church at StRoseChurch (password: latinmass). Make sure to mute your device while in church. Also, St. Rose’s state-of-the-art heating and cooling system assures a comfortable environment year round in which to pray and worship.

After both Sunday Masses, visitors are invited to meet and greet our parishioners in the parish hall and socialize over coffee and donuts. If interested in joining the parish, simply call the office.

Life at Conception Act
Life at Conception Act is a bill to implement equal protection under the 14th Amendment to the Constitution of the United States for the right to life of each born and preborn human person.

There are five sets of Citizen Petitions urging the named senator or congressman to support and vote for this legislative document. All petitions are the same but will be mailed to the individual listed at the top of the page.

All those 18 years and older please consider taking the time to sign this petition if you support this Act. Husbands and wives should each fill out separately due to the signature required.

These will be in vestibule until end of October.
