PSR Classes Resume Next Sunday September 13

Please return registration forms as soon as possible if you have not already done so. We need to know how many students to prepare for.

If you did not receive mailing and want to enroll your children in PSR program, please contact the parish office to obtain the forms.

The Diocese of Springfield is not allowing large social events on church premises at this time due to Covid-19, therefore we will not be having coffee and donuts.

PSR Substitute Teachers Needed

If you are willing to occasionally cover a class as a substitute teacher, please contact the office. The teacher will instruct you on what you need to do to cover the class.

Last year we only needed a substitute a few times, but we need to have someone available if needed.

All teachers must have completed the Protecting God's Children Program which is required by the Diocese.

September Issue of Oremus now Available

Some of the articles you will find in this month's issue are: **Neutering God—Catholics Push Back**, an article regarding St. Louis County trying to adopt gender-neutral language in their county government charter that makes God genderless. Also find a very interesting article titled, **The Tragedy of George Floyd**, which gives details that you will not hear on mainstream media and gives much for consideration.

Contact Parish Office to obtain copy.
