From Fr. Rickert...

Every month has a special dedication, and the month of October is dedicated to the Most Holy Rosary. If you are praying the Rosary every day, great! Keep that up. If not, please give it serious consideration. Considering all the time that we spend in comparatively frivolous matters (for example, online), we should be able to find the time for a Rosary every day. Many years ago, I was fortunate to meet Charles Rice, a professor of law at Notre Dame. I said to him, "Do you have any advice?" And immediately he said, "Pray the Rosary every day. It works miracles." God bless you.
